The bands are scheduled at five-minute intervals to allow time for the judges to finish their tapes and record scores. There will not be a lot of written comments on the parade sheets. All comments will be made on tape. Although your band is assigned a specific step off time, please be ready to move to the starting line early. The parade may run ahead of schedule and to keep from holding up traffic on Highway 8 we need to move it along as quickly as possible. Bands may find a place to warm-up as soon as they arrive at the parade drop off location. Refer to your Bi-State Information packet for maps and other info concerning the parade. All bands will end the parade at their buses on the Potosi High School parking lot. There will be enough time for each band to report to the stadium and eat lunch before your scheduled field warm-up time. Please take advantage of our well-stocked concession area and our hospitality room for directors and drivers. All other question; please email jsinger@potosi.k12.mo.us
